

Alumni Conference

“Recent Trends in Bioinformatics”

January 4-6, 2019

Organized by:
Bioinformatics Centre, Savitribai Phule Pune University, Pune

With completion of two decades of ADB and one and a half decade of M. Sc. in Bioinformatics and the growing strength of alumni of the Bioinformatics Centre, SPPU, we, at the Centre, believe that it is time to consolidate the strength of this extended family of Bioinformaticians! The proposed conference will serve the purpose of re-union of the alumni, faculty members, staff and the students of the current batches of M. Sc. This will not only provide an opportunity to share the excellent work that alumni have accomplished or are pursuing but also to reshape the association of alumni with the Centre in meaningful ways!

The Bioinformatics Centre welcomes all alumni to participate in the conference and make it a grand success! Needless to say, the conference will be a fun event to relive your days in the Centre and rejoice with your pals!

Registration fees: Rs. 2000 (Includes breakfast, lunches and tea, banquet dinner)

Registration URL: <https://app1.unipune.ac.in/Conference/Default.aspx>

Important Dates:

Online application begins: October 1, 2018
Online application ends: November 30, 2018 (Last date for submission of poster abstracts)
Detailed schedule: December 15, 2018
Selected participants will be shortlisted for a talk and notified by December 15, 2018
For further details contact: alumni@bioinfo.net.in / bioinfoalumnimeet2019@gmail.com

Confirmed Speakers:

Dr. Trupti Joshi	Director, Translational Bioinformatics, University of Missouri - Columbia, USA
Dr. Puthen Jithesh	PI-Translational Bioinformatics & Lead-Bioinformatics Core Sidra Medicine, Qatar
Dr. Vimal Rawat	Digitalization Research Scientist, BASF, Germany
Dr. Dhiraj Dhotre	Scientist, NCMR, India
Dr. Jyoti Singh	Wellcome Trust Early Career Fellow, NCCS, India
Dr. Sudhir Thakurela	Post-doctoral fellow, Harvard University, USA
Dr. Rachita Yadav	Post-doctoral fellow, Harvard University, USA
Dr. Abhijeet Pataskar	Post-doctoral fellow, The Netherlands Cancer Institute, Netherlands
