**Celebrating 75 Years of Excellence of Savitribai
Phule Pune University**

Workshop on Generative AI applications in Scientific Research and Industrial Problems 24th- 25th January 2024

Join us for a two-day workshop on Generative AI jointly organized by Bioinformatics Centre and Department of Mathematics of Savitribai Phule Pune University along with Persistent Systems, Pune, aimed at introducing young students and faculty to the latest techniques and applications of large language models in both scientific research and industrial applications. Our distinguished speakers from industry and academia will cover the fundamentals of Generative AI, the latest techniques, and their applications to real-world problems. Don't miss this opportunity to expand your knowledge and connect with leading experts in the field. Register now to secure your spot!

Disclosure: The above paragraph is authored by a Generative AI model! But how does it do that? How can we benefit from this capability? As suggested by the AI, register, attend, and find out !!!

**Who can apply?
M.Sc./ Ph.D/ Research Students &
Faculty Members**

Registration fee:
Rs. 500/- for M.Sc. Students
Rs. 750/- for Research Students
Rs. 1,000/- Faculty members

Last date for application:
20th January, 2024

Contact: genAI.sppu@gmail.com

Registration link: <https://events.unipune.ac.in/>

Workshop coordinators:

Dr. Payel Ghosh, Bioinformatics Centre, SPPU
Dr. Ganesh Kadu, Dept. of Mathematics, SPPU

SPEAKERS:

Kaustubh Vaghmare, Persistent Systems
Dibyanshu Dwivedi, Persistent Systems
Anshuman Sinha, Persistent Systems
Santosh Kamath, Persistent Systems
Prof. Shekhar C. Mande, SPPU
Santosh Dixit, Persistent Systems

**Venue: Department of Mathematics,
S. P. Pune University Campus. Pune**

Workshop Conveners:

Dr. Sangeeta Sawant, Bioinformatics Centre, SPPU
Prof. Vinayak Joshi, Dept. of Mathematics, SPPU
Santosh Kamath, Persistent Systems
